

Wimberley ISD

2016-2017

Athletic Forms

Dear Parents,

We are beginning our preparations for the 2016-2017 athletic calendar year. As in previous years, required athletic paperwork has been given to our student-athletes in the beginning of May. This year we are moving up the date a little to give us more time to evaluate all the paperwork. This is done to alleviate nightmares at the beginning of the school in August. Having your child sit out practices or games due to not having the proper paperwork is, quite honestly, not fun. However, it is a requirement that must be met.

Listed below are the documents that are required by the University Interscholastic League (UIL) and Wimberley ISD prior to participation in UIL Athletics along with a brief explanation to what each form contains.

UIL Preparticipation-Physical Examination and Medical History Form: In order to participate in any UIL sanctioned event, a student-athlete must have a physical and medical history on file prior to practice or game. This is any student-athlete that is in Junior High or High School athletics. The health care provider will perform the physical examination and determine if your child is cleared for participation in athletics. The medical history portion is for the parent and child to be filled out prior to receiving a physical examination from a healthcare provider. **The medical history form must be completely filled out and signed by the student-athlete and parent before a sports physical can be performed.**

UIL Acknowledgement of Rules Form: This is a general form of what the rules are for participation in UIL Athletics. This document is a requirement of the UIL . This document must be signed by the student-athlete and parent and returned to the athletic department.

UIL Illegal Steroid Parent and Student Notification/Agreement Form: This document is a requirement of the UIL . This document must be signed by the student-athlete and parent and returned to the athletic department.

UIL Concussion Acknowledgement Form: This form meets the requirement set forth by HB 2038 regarding concussions in the public high school setting. This form must be signed by a parent/legal guardian and student-athlete.

Sudden Cardiac Arrest Awareness Form: This form is to inform of Cardiac Arrest Awareness in high school sports. This form must be signed by a parent/legal guardian and student-athlete.

WISD Extracurricular Code of Conduct: The purpose of this *Extracurricular Code of Conduct* is to hold students who represent WHS to the highest standards while participating in their extracurricular activities and in the community. Even when not participating in their activities and events, these students present an image of WHS students to the public. The primary goal is to provide an extracurricular program that gives students direction in developing and maintaining self-discipline, responsibility, respect for authority, healthy living habits, leadership, and pride in being representatives of Wimberley. This document must be signed by student-athlete and parent and returned to the athletic department.

WISD Emergency and Participation Form: This form gives us contact information to reach a parent and/or legal guardian in an emergency if your child becomes injured or ill. This document must be signed by the parent and returned to the athletic department.

We thank you for your help in getting this information filled out and back to us. It will make the beginning of the school year easier on all of us if we do our part by getting this pertinent information completed.

Thank you,

Wimberley ISD Athletic Department

Wimberley ISD Sports Physicals

When: May 11, 2016

Where: Wimberley High School Gym

Doors Open: 4:30pm – 5:30

Who: All incoming 7th, 9th, & 11th graders.
(Current 6th, 8th, & 10th graders)

Cost: \$20.00 – Physical

If paying by check, please make check payable to: **WHS**
Please include Drivers License number and a phone number

To expedite the evening, we ask that all paperwork be filled out ahead of time. This will speed up the process and prevent delays. **All** medical release, medical history, medical emergency, and acknowledgement of rules forms **must** be completed before a sports physical can be performed. We also ask that you dress appropriately by wearing t-shirt and shorts. Physical forms can be downloaded from the Wimberley Independent School District website. A paper copy can be obtained from your student/athletes sport coach beginning April 25, 2016. If you have any questions please call Johnny Gonzales, Athletic Trainer, at 847-5729, Ext. 2450 or 3203

Frequently Asked Questions About Sports Physicals

Does my child have to have a physical every year in the Wimberley ISD?

No, under UIL requirements, a physical examination form must be completed prior to junior high participation and again prior to first and third years of high school athletic participation. It must be completed if there are yes answers to specific questions on the student MEDICAL HISTORY FORM. Local policy can be adopted to require an annual physical but is not required in Wimberley ISD.

Does my child have to go to the sports physicals that the school district offers to obtain their sports physical?

No. This is a service that the school district provides during the month of May. This year, the date that has been set aside is May 11, 2016 at Wimberley High School Texan Gym. The doors will open at 4:30pm to all who will be attending. If you cannot attend, it will be up to the parent and student-athlete to obtain a sports physical from their primary care physician or physician of their choosing. Please keep in mind that all physical and medical history paperwork must be turned in prior to any athletic participation.

Who are the healthcare providers at sports physicals?

WISD athletic team physicians and local healthcare providers donate their time to give sports physicals.

Can my child get a copy of his or her sports physical?

If your child participates in the sports physical that the school district provides, he or she will have the opportunity to receive a copy of their sports physical at that time.

If your child does not participate in sports physicals that the school district provides, please contact the school districts Athletic Trainer or your child's coach.

How long is a sports physical good for?

A sports physical must be done before the student-athletes 7th grade, 9th grade, and 11th grade years. Basically, every 2 years. However, if a student-athlete answers yes to specific questions on the MEDICAL HISTORY FORM, the student-athlete may be required to obtain another sports physical.

Must all paperwork be signed for participation in UIL athletics?

Yes

Where can I find the appropriate forms and/or paperwork?

You have a couple of options that are available to you. You can go to the Wimberley ISD website to find the necessary paperwork. Go to www.wimberleyisd.net. Go to the high school link and click. The high school link will come up. Locate ATHLETICS and click. Scroll down to STAFF and click. Then click on JOHNNY GONZALES. The forms will appear toward the bottom of the web page.

During the 1st week of May, all student-athletes that participate in athletics classes will receive paperwork from the Wimberley ISD Athletic Trainer. The forms are sent home and are to be signed by parents and student-athletes and returned to the school.

Another option is to contact your child's coach at their respective school.

The last option is to e-mail the Wimberley ISD Athletic Trainer and he can e-mail these forms directly to you. The school district Athletic Trainer is Johnny Gonzales. His email address is johnny.gonzales@wimberleyisd.net. He can also be contacted at 512-847-5729, extension 2450.

PREPARTICIPATION PHYSICAL EVALUATION – PHYSICAL EXAMINATION

Student's Name _____ Sex _____ Age _____ Date of Birth _____

Height _____ Weight _____ % Body fat (optional) _____ Pulse _____ BP _____/_____/_____ (_____/_____, ____/_____)
brachial blood pressure while sitting

Vision: R 20/____ L 20/____ Corrected: Y N Pupils: Equal Unequal

As a minimum requirement, this **Physical Examination Form** must be completed prior to junior high athletic participation and again prior to first and third years of high school athletic participation. It **must** be completed if there are yes answers to specific questions on the student's MEDICAL HISTORY FORM on the reverse side. * **Local district policy may require an annual physical exam.**

CLEARANCE

Cleared
 Cleared after completing evaluation/rehabilitation for: _____

Not cleared for: _____ Reason: _____

Recommendations: _____

The following information must be filled in and signed by either a Physician, a Physician Assistant licensed by a State Board of Physician Assistant Examiners, a Registered Nurse recognized as an Advanced Practice Nurse by the Board of Nurse Examiners, or a Doctor of Chiropractic. Examination forms signed by any other health care practitioner, will not be accepted.

Name (print/type) _____ Date of Examination: _____

Address: _____

Phone Number: _____

Signature: _____

Must be completed before a student participates in any practice, before, during or after school, (both in-season and out-of-season) or games/matches.

Any paperwork after this
page is due by:

May 2, 2016

PREPARTICIPATION PHYSICAL EVALUATION – MEDICAL HISTORY

REVISED 12-4-14

This **MEDICAL HISTORY FORM** must be completed *annually* by parent (or guardian) and student in order for the student to participate in athletic activities. These questions are designed to determine if the student has developed any condition which would make it hazardous to participate in an athletic event.

Student's Name: (print) _____ Sex _____ Age _____ Date of Birth _____
 Address _____ Phone _____
 Grade _____ School _____
 Personal Physician _____ Phone _____

In case of emergency, contact:

Explain "Yes" answers in the box below**. Circle questions you don't know the answers to.

	Yes	No		Yes	No
1. Have you had a medical illness or injury since your last check up or sports physical?	<input type="checkbox"/>	<input type="checkbox"/>	13. Have you ever gotten unexpectedly short of breath with exercise?	<input type="checkbox"/>	<input type="checkbox"/>
2. Have you been hospitalized overnight in the past year?	<input type="checkbox"/>	<input type="checkbox"/>	Do you have asthma?	<input type="checkbox"/>	<input type="checkbox"/>
Have you ever had surgery?	<input type="checkbox"/>	<input type="checkbox"/>	Do you have seasonal allergies that require medical treatment?	<input type="checkbox"/>	<input type="checkbox"/>
3. Have you ever had prior testing for the heart ordered by a physician?	<input type="checkbox"/>	<input type="checkbox"/>	14. Do you use any special protective or corrective equipment or devices that aren't usually used for your sport or position (for example, knee brace, special neck roll, foot orthotics, retainer on your teeth, hearing aid)?	<input type="checkbox"/>	<input type="checkbox"/>
Have you ever passed out during or after exercise?	<input type="checkbox"/>	<input type="checkbox"/>	15. Have you ever had a sprain, strain, or swelling after injury?	<input type="checkbox"/>	<input type="checkbox"/>
Have you ever had chest pain during or after exercise?	<input type="checkbox"/>	<input type="checkbox"/>	Have you broken or fractured any bones or dislocated any joints?	<input type="checkbox"/>	<input type="checkbox"/>
Do you get tired more quickly than your friends do during exercise?	<input type="checkbox"/>	<input type="checkbox"/>	Have you had any other problems with pain or swelling in muscles, tendons, bones, or joints?	<input type="checkbox"/>	<input type="checkbox"/>
Have you ever had racing of your heart or skipped heartbeats?	<input type="checkbox"/>	<input type="checkbox"/>	If yes, check appropriate box and explain below:		
Have you had high blood pressure or high cholesterol?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/> Head	<input type="checkbox"/> Elbow	<input type="checkbox"/> Hip
Have you ever been told you have a heart murmur?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/> Neck	<input type="checkbox"/> Forearm	<input type="checkbox"/> Thigh
Has any family member or relative died of heart problems or of sudden unexpected death before age 50?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/> Back	<input type="checkbox"/> Wrist	<input type="checkbox"/> Knee
Has any family member been diagnosed with enlarged heart, (dilated cardiomyopathy), hypertrophic cardiomyopathy, long QT syndrome or other ion channelopathy (Brugada syndrome, etc), Marfan's syndrome, or abnormal heart rhythm?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/> Chest	<input type="checkbox"/> Hand	<input type="checkbox"/> Shin/Calf
Have you had a severe viral infection (for example, myocarditis or mononucleosis) within the last month?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/> Shoulder	<input type="checkbox"/> Finger	<input type="checkbox"/> Ankle
Has a physician ever denied or restricted your participation in sports for any heart problems?	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/> Upper Arm	<input type="checkbox"/> Foot	
4. Have you ever had a head injury or concussion?	<input type="checkbox"/>	<input type="checkbox"/>	16. Do you want to weight more or less than you do now?	<input type="checkbox"/>	<input type="checkbox"/>
Have you ever been knocked out, become unconscious, or lost your memory?	<input type="checkbox"/>	<input type="checkbox"/>	17. Do you feel stressed out?	<input type="checkbox"/>	<input type="checkbox"/>
If yes, how many times? _____			18. Have you ever been diagnosed with or treated for sickle cell trait or cell disease?	<input type="checkbox"/>	<input type="checkbox"/>
When was your last concussion? _____			<i>Females only</i>		
How severe was each one? (Explain below)			19. When was your first menstrual period? _____		
Have you ever had a seizure?	<input type="checkbox"/>	<input type="checkbox"/>	When was your most recent menstrual period? _____		
Do you have frequent or severe headaches?	<input type="checkbox"/>	<input type="checkbox"/>	How much time do you usually have from the start of one period to the start of another? _____		
Have you ever had numbness or tingling in your arms, hands, legs or feet?	<input type="checkbox"/>	<input type="checkbox"/>	How many periods have you had in the last year? _____		
Have you ever had a stinger, burner, or pinched nerve?	<input type="checkbox"/>	<input type="checkbox"/>	What was the longest time between periods in the last year? _____		
5. Are you missing any paired organs?	<input type="checkbox"/>	<input type="checkbox"/>			
6. Are you under a doctor's care?	<input type="checkbox"/>	<input type="checkbox"/>			
7. Are you currently taking any prescription or non-prescription (over-the-counter) medication or pills or using an inhaler?	<input type="checkbox"/>	<input type="checkbox"/>			
8. Do you have any allergies (for example, to pollen, medicine, food, or stinging insects)?	<input type="checkbox"/>	<input type="checkbox"/>			
9. Have you ever been dizzy during or after exercise?	<input type="checkbox"/>	<input type="checkbox"/>			
10. Do you have any current skin problems (for example, itching, rashes, acne, warts, fungus, or blisters)?	<input type="checkbox"/>	<input type="checkbox"/>			
11. Have you ever become ill from exercising in the heat?	<input type="checkbox"/>	<input type="checkbox"/>			
12. Have you had any problems with your eyes or vision?	<input type="checkbox"/>	<input type="checkbox"/>			

An individual answering in the affirmative to any question relating to a possible cardiovascular health issue (question three above), as identified on the form, should be restricted from further participation until the individual is examined and cleared by a physician, physician assistant, chiropractor, or nurse practitioner.

****EXPLAIN 'YES' ANSWERS IN THE BOX BELOW** (attach another sheet if necessary):

It is understood that even though protective equipment is worn by the athlete, whenever needed, the possibility of an accident still remains. Neither the University Interscholastic League nor the school assumes any responsibility in case an accident occurs.

If, in the judgment of any representative of the school, the above student should need immediate care and treatment as a result of any injury or sickness, I do hereby request, authorize, and consent to such care and treatment as may be given said student by any physician, athletic trainer, nurse or school representative. I do hereby agree to indemnify and save harmless the school and any school or hospital representative from any claim by any person on account of such care and treatment of said student.

If, between this date and the beginning of athletic competition, any illness or injury should occur that may limit this student's participation, I agree to notify the school authorities of such illness or injury.

I hereby state that, to the best of my knowledge, my answers to the above questions are complete and correct. Failure to provide truthful responses could subject the student in question to penalties determined by the UIL.

Student Signature: _____ Parent/Guardian Signature: _____ Date: _____

Any Yes answer to questions 1, 2, 3, 4, 5, or 6 requires further medical evaluation which may include a physical examination. Written clearance from a physician, physician assistant, chiropractor, or nurse practitioner is required before any participation in UIL practices, games or matches. **THIS FORM MUST BE ON FILE PRIOR TO PARTICIPATION IN ANY PRACTICE, SCRIMMAGE OR CONTEST BEFORE, DURING OR AFTER SCHOOL.**

For School Use Only:
 This Medical History Form was reviewed by: Printed Name _____ Date _____ Signature _____

ACKNOWLEDGEMENT OF RULES

Attention School Authorities: This form must be signed yearly by both the student and parent/guardian and be on file at your school before the student may participate in any practice session, scrimmage, or contest. A copy of the student's medical history and physical examination form signed by a physician or medical history form signed by a parent must also be on file at your school.

Student's Name _____ Date of Birth _____
Current School _____

Parent or Guardian's Permit

I hereby give my consent for the above student to compete in University Interscholastic League approved sports, and travel with the coach or other representative of the school on any trips.

Furthermore, as a condition of participation and for the purpose of ensuring compliance with University Interscholastic League (UIL) rules, I consent to the disclosure of personally identifiable information, including information that may be subject to the Family Educational Rights and Privacy Act (FERPA), regarding the above named student between and among the following: the high school or middle school where the student currently attends or has attended; any school the student transfers to; the relevant District Executive Committee and the UIL. I further understand that all information relevant to the student's UIL eligibility and compliance with other UIL rules may be discussed and considered in a public forum. I acknowledge that revocation of this consent must be in writing and delivered to the student's school and the UIL.

It is understood that even though protective equipment is worn by the athlete whenever needed, the possibility of an accident still remains. Neither the University Interscholastic League nor the high school assumes any responsibility in case an accident occurs.

I have read and understand the University Interscholastic League rules on the reverse side of this form and agree that my son/daughter will abide by all of the University Interscholastic League rules.

The undersigned agrees to be responsible for the safe return of all athletic equipment issued by the school to the above named student.

If, in the judgement of any representatives of the school, the above student needs immediate care and treatment as a result of any injury or sickness, I do hereby request, authorize, and consent to such care and treatment as may be given to said student by any physician, licensed athletic trainer, nurse, hospital, or school representative; and I do hereby agree to indemnify and save harmless the school and any school representative from any claim by any person whomsoever on account of such care and treatment of said student.

I have been provided the UIL Parent Information Manual regarding health and safety issues including concussions and my responsibilities as a parent/guardian. I understand that failure to provide accurate and truthful information on UIL forms could subject the student in question to penalties determined by the UIL.

The UIL Parent Information Manual is located at www.uilTEXAS.org/files/athletics/manuals/parent-information-manual.pdf.

Your signature below gives authorization that is necessary for the school district, its licensed athletic trainers, coaches, associated physicians and student insurance personnel to share information concerning medical diagnosis and treatment for your student.

To the Parent: Check any activity in which this student is allowed to participate.

GENERAL INFORMATION

School coaches may not:

- Transport, register, or instruct students in grades 7-12 from their attendance zone in non-school baseball, basketball, football, soccer, softball, or volleyball camps (exception: See Section 1209 of the Constitution and Contest Rules).
- Give any instruction or schedule any practice for an individual or a team during the off-season except during the one in school day athletic period in baseball, basketball, football, soccer, softball, or volleyball
- Schools and school booster clubs may not provide funds, fees, or transportation for non-school activities.

GENERAL ELIGIBILITY RULES

According to UIL standards, students could be eligible to represent their school in interscholastic activities if they:

- are not 19 years of age or older on or before September 1 of the current scholastic year. (See Section 446 of the Constitution and Contest Rules for exception).
- have not graduated from high school.
- are enrolled by the sixth class day of the current school year or have been in attendance for fifteen calendar days immediately preceding a varsity contest.
- are full-time students in the participant high school they wish to represent.
- initially enrolled in the ninth grade not more than four years ago.
- are meeting academic standards required by state law.
- live with their parents inside the school district attendance zone their first year of attendance. (Parent residence applies to varsity athletic eligibility only.) When the parents do not reside inside the district attendance zone the student could be eligible if: the student has been in continuous attendance for at least one calendar year and has not enrolled at another school; no inducement is given to the student to attend the school (for example: students or their parents must pay their room and board when they do not live with a relative; students driving back into the district should pay their own transportation costs); and it is not a violation of local school or TEA policies for the student to continue attending the school. Students placed by the Texas Youth Commission are covered under Custodial Residence (see Section 442 of the Constitution and Contest Rules).
- have observed all provisions of the Awards Rule.
- have not been recruited. (Does not apply to college recruiting as permitted by rule.)
- have not violated any provision of the summer camp rule. Incoming 10-12 grade students shall not attend a baseball, basketball, football, soccer, or volleyball camp in which a seventh through twelfth grade coach from their school district attendance zone, works with, instructs, transports or registers that student in the camp. Students who will be in grades 7, 8, and 9 may attend one baseball, one basketball, one football, one soccer, one softball, and one volleyball camp in which a coach from their school district attendance zone is employed, for no more than six consecutive days each summer in each type of sports camp. Baseball, Basketball, Football, Soccer, Softball, and Volleyball camps where school personnel work with their own students may be held in May, after the last day of school, June, July and August prior to the second Monday in August. If such camps are sponsored by school district personnel, they must be held within the boundaries of the school district and the superintendent or his designee shall approve the schedule of fees.
- have observed all provisions of the Athletic Amateur Rule. Students may not accept money or other valuable consideration (tangible or intangible property or service including anything that is usable, wearable, salable or consumable) for participating in any athletic sport during any part of the year. Athletes shall not receive valuable consideration for allowing their names to be used for the promotion of any product, plan or service. Students who inadvertently violate the amateur rule by accepting valuable consideration may regain athletic eligibility by returning the valuable consideration. If individuals return the valuable consideration within 30 days after they are informed of the rule violation, they regain their athletic eligibility when they return it. If they fail to return it within 30 days, they remain ineligible for one year from when they accepted it. During the period of time from when students receive valuable consideration until they return it, they are ineligible for varsity athletic competition in the sport in which the violation occurred. Minimum penalty for participating in a contest while ineligible is forfeiture of the contest.
- did not change schools for athletic purposes.

I understand that failure to provide accurate and truthful information on UIL forms could subject the student in question to penalties determined by the UIL.

I have read the regulations cited above and agree to follow the rules.

SUDDEN CARDIAC ARREST AWARENESS FORM

Revised February 2015

Name of Student: _____

What is Sudden Cardiac Arrest?

- Occurs suddenly and often without warning.
- An electrical malfunction (short-circuit) causes the bottom chambers of the heart (ventricles) to beat dangerously fast (ventricular tachycardia or fibrillation) and disrupts the pumping ability of the heart.
- The heart cannot pump blood to the brain, lungs and other organs of the body.
- The person loses consciousness (passes out) and has no pulse.
- Death occurs within minutes if not treated immediately.

What causes Sudden Cardiac Arrest?

- **Conditions present at birth**
 - ***Inherited (passed on from parents/relatives) conditions of the heart muscle:***
 - ◆ **Hypertrophic Cardiomyopathy** – hypertrophy (thickening) of the left ventricle; the most common cause of sudden cardiac arrest in athletes in the U.S.
 - ◆ **Arrhythmogenic Right Ventricular Cardiomyopathy** – replacement of part of the right ventricle by fat and scar; the most common cause of sudden cardiac arrest in Italy.
 - ◆ **Marfan Syndrome** – a disorder of the structure of blood vessels that makes them prone to rupture; often associated with very long arms and unusually flexible joints.
 - ***Inherited conditions of the electrical system:***
 - ◆ **Long QT Syndrome** – abnormality in the ion channels (electrical system) of the heart.
 - ◆ **Catecholaminergic Polymorphic Ventricular Tachycardia and Brugada Syndrome** – other types of electrical abnormalities that are rare but run in families.
 - ***NonInherited (not passed on from the family, but still present at birth) conditions:***
 - ◆ **Coronary Artery Abnormalities** – abnormality of the blood vessels that supply blood to the heart muscle. The second most common cause of sudden cardiac arrest in athletes in the U.S.
 - ◆ **Aortic valve abnormalities** – failure of the aortic valve (the valve between the heart and the aorta) to develop properly; usually causes a loud heart murmur.
 - ◆ **Non-compaction Cardiomyopathy** – a condition where the heart muscle does not develop normally.
 - ◆ **Wolff-Parkinson-White Syndrome** – an extra conducting fiber is present in the heart's electrical system and can increase the risk of arrhythmias.
- **Conditions not present at birth but acquired later in life:**
 - ◆ **Commotio Cordis** – concussion of the heart that can occur from being hit in the chest by a ball, puck, or fist.
 - ◆ **Myocarditis** – infection/inflammation of the heart, usually caused by a virus.
 - ◆ **Recreational/Performance-Enhancing drug use.**
- **Idiopathic:** Sometimes the underlying cause of the Sudden Cardiac Arrest is unknown, even after autopsy.

SUDDEN CARDIAC ARREST AWARENESS FORM

Revised February 2015

What are the symptoms/warning signs of Sudden Cardiac Arrest?

- Fainting/blackouts (especially during exercise)
- Dizziness
- Unusual fatigue/weakness
- Chest pain
- Shortness of breath
- Nausea/vomiting
- Palpitations (heart is beating unusually fast or skipping beats)
- Family history of sudden cardiac arrest at age < 50

ANY of these symptoms/warning signs that occur while exercising may necessitate further evaluation from your physician before returning to practice or a game.

What is the treatment for Sudden Cardiac Arrest?

- Time is critical and an immediate response is vital.
- **CALL 911**
- **Begin CPR**
- **Use an Automated External Defibrillator (AED)**

What are ways to screen for Sudden Cardiac Arrest?

- The American Heart Association recommends a pre-participation history and physical including 14 important cardiac elements.
- **The UIL *Pre-Participation Physical Evaluation - Medical History* form includes ALL 14 of these important cardiac elements and is mandatory annually.**
- Additional screening using an electrocardiogram and/or an echocardiogram is readily available to all athletes, but is not mandatory.

Where can one find information on additional screening?

- The Cardiac section on the UIL Health and Safety website (uiltexas.org).

CONCUSSION ACKNOWLEDGEMENT FORM

Name of Student _____

Definition of Concussion - means a complex pathophysiological process affecting the brain caused by a traumatic physical force or impact to the head or body, which may: (A) include temporary or prolonged altered brain function resulting in physical, cognitive, or emotional symptoms or altered sleep patterns; and (B) involve loss of consciousness.

- Prevention** – Teach and practice safe play & proper technique.
- Follow the rules of play.
 - Make sure the required protective equipment is worn for all practices and games.
 - Protective equipment must fit properly and be inspected on a regular basis.

Signs and Symptoms of Concussion – The signs and symptoms of concussion may include but are not limited to: Head ache, appears to be dazed or stunned, tinnitus (ringing in the ears), fatigue, slurred speech, nausea or vomiting, dizziness, loss of balance, blurry vision, sensitive to light or noise, feel foggy or groggy, memory loss, or confusion.

Oversight - Each district shall appoint and approve a Concussion Oversight Team (COT). The COT shall include at least one physician and an athletic trainer if one is employed by the school district. Other members may include: Advanced Practice Nurse, neuropsychologist or a physician's assistant. The COT is charged with developing the Return to Play protocol based on peer reviewed scientific evidence.

Treatment of Concussion - The student-athlete shall be removed from practice or competition immediately if suspected to have sustained a concussion. Every student-athlete suspected of sustaining a concussion shall be seen by a physician before they may return to athletic participation. The treatment for concussion is rest. Also avoid external stimulation such as watching television, music, use of computer, and bright lights. When all signs and symptoms of concussion have cleared and the student has received written clearance from a physician, the student-athlete may begin their district's Return to Play protocol as determined by the Concussion Oversight Team.

Return to Play - According to the Texas Education Code, Section 38.157:

A student removed from an interscholastic athletics practice or competition under Section 38.156 may not be permitted to practice or compete again following the force or impact believed to have caused the concussion until:

- (1) the student has been evaluated, using established medical protocols based on peer-reviewed scientific evidence, by a treating physician chosen by the student or the student's parent or guardian or another person with legal authority to make medical decisions for the student;
- (2) the student has successfully completed each requirement of the return-to-play protocol established under Section 38.153 necessary for the student to return to play;
- (3) the treating physician has provided a written statement indicating that, in the physician's professional judgment, it is safe for the student to return to play; and
- (4) the student and the student's parent or guardian or another person with legal authority to make medical decisions for the student:
 - (A) have acknowledged that the student has completed the requirements of the return-to-play protocol necessary for the student to return to play;
 - (B) have provided the treating physician's written statement under Subdivision (3) to the person responsible for compliance with the return-to-play protocol under Subsection (c) and the person who has supervisory responsibilities under Subsection (c); and
 - (C) have signed a consent form indicating that the person signing:
 - (i) has been informed concerning and consents to the student participating in returning to play in accordance with the return-to-play protocol;
 - (ii) understands the risks associated with the student returning to play and will comply with any ongoing requirements in the return-to-play protocol;
 - (iii) consents to the disclosure to appropriate persons, consistent with the Health Insurance Portability and Accountability Act of 1996 (Pub. L. No. 104-191), of the treating physician's written statement under Subdivision (3) and, if any, the return-to-play recommendations of the treating physician; and
 - (iv) understands the immunity provisions under Section 38.159.

Parent and Student Agreement/Acknowledgement Form Anabolic Steroid Use and Random Steroid Testing

- Texas state law prohibits possessing, dispensing, delivering or administering a steroid in a manner not allowed by state law.
- Texas state law also provides that body building, muscle enhancement or the increase in muscle bulk or strength through the use of a steroid by a person who is in good health is not a valid medical purpose.
- Texas state law requires that only a licensed practitioner with prescriptive authority may prescribe a steroid for a person.
- Any violation of state law concerning steroids is a criminal offense punishable by confinement in jail or imprisonment in the Texas Department of Criminal Justice.

STUDENT ACKNOWLEDGEMENT AND AGREEMENT

As a prerequisite to participation in UIL athletic activities, I agree that I will not use anabolic steroids as defined in the UIL Anabolic Steroid Testing Program Protocol. I have read this form and understand that I may be asked to submit to testing for the presence of anabolic steroids in my body, and I do hereby agree to submit to such testing and analysis by a certified laboratory. I further understand and agree that the results of the steroid testing may be provided to certain individuals in my high school as specified in the UIL Anabolic Steroid Testing Program Protocol which is available on the UIL website at www.uil texas.org. I understand and agree that the results of steroid testing will be held confidential to the extent required by law. I understand that failure to provide accurate and truthful information could subject me to penalties as determined by UIL.

PARENT/GUARDIAN CERTIFICATION AND ACKNOWLEDGEMENT

As a prerequisite to participation by my student in UIL athletic activities, I certify and acknowledge that I have read this form and understand that my student must refrain from anabolic steroid use and may be asked to submit to testing for the presence of anabolic steroids in his/her body. I do hereby agree to submit my child to such testing and analysis by a certified laboratory. I further understand and agree that the results of the steroid testing may be provided to certain individuals in my student's high school as specified in the UIL Anabolic Steroid Testing Program Protocol which is available on the UIL website at www.uil texas.org. I understand and agree that the results of steroid testing will be held confidential to the extent required by law. I understand that failure to provide accurate and truthful information could subject my student to penalties as determined by UIL.
