*Strength. Innovation. Excellence.*

## **4<sup>TH</sup> ANNUAL STEAM FAIR SET FOR MARCH 2**

*Enriching Family Fun—Free and Open to the Public*

**Wimberley, Texas, February 25, 2019**—It’s picking up steam as it heads into its 4<sup>th</sup> year, the Wimberley ISD STEAM Fair is slated for March 2, 10 a.m. to 2 p.m. at the Wimberley High School Bridges Gym. Wimberley ISD students showcase their talents for families, teachers, fellow students and the local community featuring exhibits and hands-on activities.

“It’s hard to believe we are in our 4<sup>th</sup> year. Our students’ passion for STEAM careers, classes and fields have made this fair a resounding success every year and thanks to our sponsors and district partners, the fair has only gotten bigger and better,” said Jason Giesen, WHS Agriculture Science Instructor.

Giesen came up with the idea for the fair and the teams at all the campuses supported it. Because of this enthusiasm, it has quickly become one of the most anticipated yearly events in the community.

The Fair achieves some important goals, inspiring students with the wonder and knowledge that come with STEAM education and encouraging them to pursue studies and professions in any these fields.
