

## Principal's Message

What are you giving to the people you love?

The advertisers this time of year (and maybe always) really pull on our heartstrings and make us question if we're really giving enough. Well here's a measure of giving no one can ever question. The great people reading this Newsletter have given everything you've got to make your child, and many others, successful at Danforth this year. The early mornings, the late nights, the help with homework, the waiting till practice is over and the extraordinary amount of patience that it takes to navigate the school year. Oh, and this mountain of cookies that is sitting in our front office right now. Thank you for giving so much to your child's education and the success of this school year.

Enjoy the next few weeks with family and friends.

After the break we'll see you on Tuesday morning, January 8th.

Greg Howard, Principal

In the next few days

Monday, Dec. 17th
